

These are the area businesses that sell bottled alcohol that will be allowed through the gate **during campsite check-in**.

Beer & wine coolers need to be purchased at the event. The retailers listed will have a sticker that needs to be placed on each bottle of alcohol that is purchased. They will have the stickers on Wednesday the 16th.

The retailers are willing to have items put aside for you if you order them ahead of time.

- 1) BP Convenience Store (715) 463-2275
